IF YOU HAVE ANY EQUIPMENT THAT BELONGS TO THE CLUB STORED AT YOUR HOME. PLEASE TAKE A PICTURE OF IT AND WRITE DOWN THE LOCATION WHERE IT IS STORED AND GIVE IT TO LINDA BAKER. WE ARE TRYING TO GET ALL OF OUR DUCKS IN ORDER.

NEW BUSINESS

THE SWAP MEET IN MAY HAS BEEN CANCELLED. LOOKING FOR A NEW LOCATION FOR NEXT YEAR, AND A COMMITTEE TO WORK ON THE DETAILS. SEE RON HANSON IF YOU WOULD LIKE TO HELP.

Cheryle gave us a great weather report for the week-end of the Tulare show.

We are thinking about selling the fork-lift that belongs to the club. We have to talk to the person that donated it to us and make sure it is ok to sell. It has new tires and it is out at reddog's right now. We will let the club know soon if it is for sale and how much it will sell for.

Next meeting is out at Dan Morgan's place. Bring out a goody to share! See you there.

**MEMBER OF THE MONTH
LET'S TALK ABOUT DAVID PICKUS.**

OH BOY, HERE COME'S THE DIRT ON OUR CLUB PRESIDENT!

So you think you know David Pickus. Well, did you know he was born and raised right here in Lancaster, Ca. He was born October 12, 1949. Yep, he will be 60 years old this year. He went to Antelope Valley High School; he graduated in 1968 and went to college for a few semesters. He worked at Lockheed for a short time, he was a painter. In the 1980's, he went to work for his father, Art Pickus who was also one of the original members of Branch 30 Rusty Relics. He bought the family business from his father and mother and he has been calling it "home" ever since. David has collected all kinds of things in his life time. If you have never been to Pickus Repair Service, you need to stop by his shop and see some of his collection. You have seen some of it out at his house in Quartz Hill, but that is only a small part of it. David has three beautiful daughters, Melanie, Jessica and Alison. Jessica and Alison were members of the Club for a long time. Some of you might remember when they were little girls; they traveled to almost every show with their dad. Jessica got married last year and Melanie is getting married this year. Alison just graduated from college last year. David has a pretty famous mother too. Grace Pickus, she was well known for her books and all her help out at the Poppy Reserve. David also plays a big part in the Rural Olympics, at the Antelope Fair and he helps out every year at the Old Timers Event, held out at the Fairgrounds. He is a pretty busy person, but he still enjoys firing up an old engine every now and then. Thank you David for all your time and for always being a good sport helping out with the Club.
