

### Vice President Message

Hi Folks... if you are wondering why the cover letter instead of a tractor seat, its because our publisher Bob Hanson is off on a holiday in Europe. But, he will be back in time for the December issue. Have fun  
Bob and Nancy!

Well, did we have a good time at the Dan Morgan "plow day"; you bet we did! Dan managed to line up (5) Ford tractors complete with tools, (1) Farmall Cub, ((1) "M" Farmall and (1) Big John Deere. When Dan says lets plow up something he means it. He actually sunk a 16 inch single bottom plow to the hilt for about 150 feet right in the middle of Fred Frakes lot, and he and the other guys proceeded to tear up the place about 25 feet wide and 150 feet long. They had contest on straight row, soil busters, spring tooth and harrow drag. Some of the guys are pretty bad tractor drivers, but the others are not even that good. Some of the ladies took a try at driving the Cub and well--- I think I can fix it! Dan really did a great hosting job. He managed to con his mother-in-law into making about a (4) gallons of champion chili, crackers and water. THANKS DELORES! He will make someone a good little waitress. We had lunch and the meeting in a 40 foot container supplied by Fred Frakes, it was very nice, complete with a single hole privy that you can actually sit in and peek out. I think some of you know what I mean. The meeting went well although Jess and Linda were away on business. (watching the Aspen trees turn yellow in Colorado. Ron Hanson also could not make it, he was putting in sprinklers. We signed up some new members and took first nominations for the officers election in December for the 2009 Officers. Thanks to host Dan Morgan, his mother-in-laws chili, the Ford Tractor owners, and Fred Frakes for the use of this place and all who attended.

Don Nave, Vice President

The meeting was called to order by Vice President Don Nave, the flag salute was given. With no corrections or additions to last month minutes they were approved as written in the tractor seat.
