## THE PRESIDENTS MESSAGE

The August meeting I wasn't able to be there, but I understand that the turn out for the work day was low. It was to be to get the Fairbanks and equipment ready for the Fair. As you know this is the last of the shows we attend, this year. This show was our big one to show the local people our equipment.

Well as I write this letter, the Fair is behind us. We had a good turnout of club members to set up the ropes for the show. David Pickus did an outstanding job arranging the show area. He had an area for the Garden Tractors in the middle of the East entrance of the show area. He had the Tractors around the outside with all mixed up colors. The Bailer was in its own area in the middle about where the Fairbanks sat last year. The Fairbanks set where the club trailer has set in the past. He had the Small Engines on the walk way out to the Cattle Barn and between the Bailer and the Tractors on the south. The club Trailer sat on the North Side of the walk way. All worked out good.

We were in the Parade sponsored by the Lancaster Chamber on Saturday. We took First Place in our Category of Antique Cars and Tractors. The trophy is located in the Club Trailer.

Thanks to the ladies that were selling tickets this year. Some of the ladies were out in the crowd selling raffle tickets as well as asking if they would like to join the club. We received 5 new members from the sales people and the 1000 tickets are gone. The ladies improvised a way to create new tickets to sell, as we ran out of ticket books...Thanks to the ladies for their help.

My thanks to all of the club members, ladies and men that took time to help set up the ropes for the show. Also, thanks to all that helped tear down after the 11 day event. All of the equipment was gone by 3:00 PM. David Williams and

I came back to go to lunch around 1:00 PM and all were gone so we went to lunch to keep a tradition that I was told about. Maybe next year we can all go to lunch.

We received our gas for the equipment and we also received the check from the fair. As I write this letter, the next meeting is coming up. It is going to be at our house 4627 West Ave L-2, Quartz Hill, 661-943-4558. Well I'll close for now and hope to see you all at the next meeting.

#### NEW BUSINESS

Jess Baker is taking care of the Fair Passes. See him on Thursday before the fair for your Passes. You must be showing or helping at the table to receive a Pass into the Fair. The work party today at Red & Leesa's was a bust. Not many showed up. We will have to clean the big Engine later at the Fairgrounds. Popcorn at the Fair, if someone buys a raffle ticket or T-shirt, Hat or any purchase, and then they will receive a free bag of popcorn. No more just handing it out to everyone... Find out about the Popcorn Machine?

50/50 won by Cheryl Stacey.

Meeting was called to a close by Don Nave and a second by Leesa.

There were 16 members in attendance. Minutes taken by Luci Fountain.

OLD BUSINESS: No old Business.
