

# ON THE TRACTOR SEAT

Volume 23, Issue 08

AUGUST 2012

## *THE PRESIDENT'S MESSAGE*

Howdy y'all,

I would like to thank everyone for coming out to our Family Days event, at George Lane Park, last month. It was a pleasant day with a little wind to cool things off. We had plenty of food and good company.

Well, it's Fair time again and what a Fair it's going to be. I've been talking to a lot of folks and there's going to be a lot of new equipment there.

Please make sure you contact our Show Director, Don Nave, so we can reserve room for your equipment.

We will be setting up on August 15<sup>th</sup> & 16<sup>th</sup>. If you have any questions, please talk to Don Nave, myself or any of our Club Directors.

It's going to be big again this year, so make sure your name is in the hat, so we can get your ticket in!

We will be having a work party at our next meeting on Saturday August 11<sup>th</sup>.

Work party starts at 9:00 AM followed by our regular meeting at 2:00 PM.

We need to get the Fairbanks and our club trailer ready to go.

See you there.

Lovin Ya,

Dan Morgan – Club President

**Remember Meetings are held every second Sat. of the month at 2 PM.**

# RUSTY RELICS BUSINESS MEETING

LAST HELD JULY 14, 2012

The meeting was called to order at 2:04 PM by Dan Morgan.

Two corrections were made to the minutes. The first correction was Bill Forbes was not hurt in a motorcycle accident, it was George Forbes.

Second correction, it was David Williams and not Don Nave, who was working on the Fairbanks?

Need to replace a tube and some fittings.
