JULY 2011

THE PRESIDENT'S MESSAGE

Hello fellow club members. How ya'll doing.

As we look into the 4th of July weekend, we need to stop and think of our Great Nation, and all the people who have sacrificed so much for us.

I thank you all. *Happy Independence Day.*

I thank you so much for last month's great Swap-Meet & Fire-up.

Where you their? Did you have fun? I think that this is the kind of event that helps make this club fun, and we made some money too.

As we go into summer, we have about two months to get ready for the annual Antelope Valley Fair, starting August 19th.

I'm trying to get my wife's Hay Wagon done.

I know that some of you will be getting new equipment ready and hoping you can get it ready in time to show. Also we need to get the Club Equipment ready, to show.

So, the next meeting of July 9th we will have a small work party, starting at 11 AM before the club meeting at 2 PM.

It will be hot, so bring plenty of water to drink.

Lovin You, Dan Morgan – Club President.

Remember Meetings are held every second Sat. of the Month at 2 PM.
